All stove compatible

From gas to electric and induction,this kitchen cookware set is compatible with all stovetop types, offering flexibility for various kitchen setups.

BEFORE FIRST USE

-Wash all pots and pans in warm,soapy water using a soft sponge or cloth, and dry completely with a soft towel

Season the nonstick coating by lightly rubbing a small amount of cooking oil onto the cooking surface with a paper towel.This helps to enhance the nonstick properties.

COOKING TIPS

-Use low to medium heat settings when cooking with your nonstick pots and pans. High heat can damage the nonstick coating and handle.

Avoid using metal utensils, as they can scratch the nonstick surface.Opt for silicone, wood, or nylon utensils instead.

Do not use cooking sprays containing aerosol as they can create a buildup on the nonstick surface over time.
Preheat the pan on low to medium heat before adding oil or food to prevent sticking

Allow the pan to cool before cleaning to avoid warping or damaging the nonstick coating.

All stove compatible

From gas to electric and induction,this kitchen cookware set is compatible with all stovetop types, offering flexibility for various kitchen setups.

BEFORE FIRST USE

-Wash all pots and pans in warm,soapy water using a soft sponge or cloth, and dry completely with a soft towel

Season the nonstick coating by lightly rubbing a small amount of cooking oil onto the cooking surface with a paper towel.This helps to enhance the nonstick properties.

COOKING TIPS

-Use low to medium heat settings when cooking with your nonstick pots and pans. High heat can damage the nonstick coating and handle.

Avoid using metal utensils, as they can scratch the nonstick surface.Opt for silicone, wood, or nylon utensils instead.

Do not use cooking sprays containing aerosol as they can create a buildup on the nonstick surface over time.
Preheat the pan on low to medium heat before adding oil or food to prevent sticking

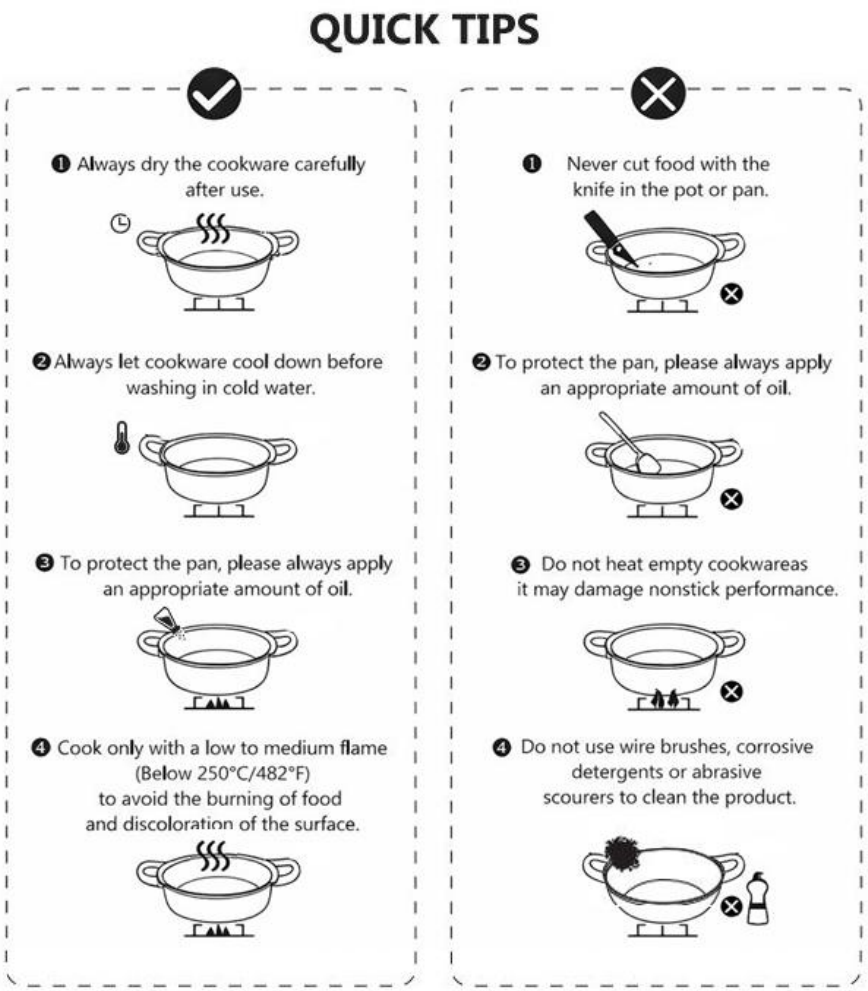

Allow the pan to cool before cleaning to avoid warping or damaging the nonstick coating.
